5. **DO NOT** pick your kids up prior to the end of camp.

Counselor Responsibilities

1. Cabin Life-During your event, the adult cabin counselors will be the loving parent-figure that many of these kids have never had. Please learn their names, play the games, share meals with them, sit with them in the assemblies, listen to their stories and love them. There are several opportunities that you can truly make a difference in the life of a young person at our retreats and camps.
2. Please make sure that you keep your cabin locked at all times. Students are not allowed to be in the cabins unsupervised.
3. Please make sure that your campers are at all scheduled activities and assemblies. We do not allow students to loiter in unsupervised areas
4. Please make sure that your students are in their cabins with the door locked by 11pm curfew. **NO EXCEPTIONS**

Nothing good happens outside of the cabin curfew after 11pm!

5. Please encourage your students to have a good attitude and to be respectful to adults and students. Camp Anderson is a private camp and we have high standards that will be enforced on everyone. If a student becomes unruly or disrespectful in any way, it diminishes the camp experience for others. They will be required to leave from camp immediately, and the group leader from the Child Welfare organization will be responsible to have them transported home in an expeditious manner.
6. Medical Emergencies- In the unfortunate event that a student has a medical emergency while at camp and is required to go to the doctor or emergency room, the Child Welfare organization will be required to transport them and to make all necessary arrangements including financial payment responsibility for their medical needs. Your organization must be on call 24/7 to provide this emergency support, just the same as if the student is in your immediate care.
