Please do not arrive before the 1:00 pm start time as we do not have available supervision prior to that time. Please do not register your student if you do not intend to allow them to complete the scheduled program that ends at 1:00 pm on Friday as we do not have available staff to check them out early.

If you visit, please do your best to minimize any disruption to your camper's schedule and activities and let us know in advance that you intend to visit by emailing: Bec Driggers ([bdriggers@realife.org](mailto:bdriggers@realife.org)). You can check in at the desk in the lodge.

### Counselor Responsibilities

**Camp Life**- This week, you will be the loving parent that many of these kids have never had. Please learn their names, play the games, share meals with them, sit with them in the assemblies, listen to their stories and love them to Jesus. There are several opportunities that you can prepare for:

- **Youth Group Preparation** - Make sure that you prepare your youth group students to be "on mission" at camp this week and to intentionally reach out and befriend the child welfare kids that will be in your room.
- **Lights out Prayer Time** - Please lead a discussion and prayer time in your room before lights out.
- **Huddle Group** is a small group time each morning with your room students in which you will lead a devotion time using the lessons in your camp booklet.
- **Counseling** - Be prepared to counsel with and lead young people to Jesus at the invitation time at the close of the assemblies.
- Other cabin responsibilities include
  - 1) Ensuring that your room stays locked, and students do not loiter there without adult supervision.
  - 2) Ensuring that your students are present at all assemblies.
  - 3) Ensuring that your students are in your room with the door closed at the 11:00 pm evening curfew.

**Activities & Equipment Camp Equipment** - All supplies and equipment are provided for all activities. You are welcome to bring your own guitar, archery bow, snorkel mask, or fishing pole if you would like. You will be completely responsible for damage and/or loss of your personal equipment brought to camp. Please do not bring your own paintball guns. You can go to [www.Realife.org](http://www.Realife.org) and click on 'Activities' to learn more about summer camp activities that will take place during your camp week.

**Authorized Pick Ups** If your camper is to be picked up at camp, then you must specify on the online registration form who is authorized to pick them up. If your student is coming with a church/group, they will automatically be allowed to leave with their church/group leader.

If you have an emergency and need to pick up your camper at any other time than the closing of camp on Friday at 1:00pm, please email ahead of time so we can be prepared for your pick-up: Bec Driggers ([bdriggers@realife.org](mailto:bdriggers@realife.org))

Please do not plan to leave prior to 1:00 pm on Friday as it becomes very disruptive to the camp programming and diminishes the camp experience for others. If you are unable or unwilling to remain until the scheduled programming is complete at 1:00 pm, please do not register your student(s) for this camp.
